Seen. The reply could not be helped.

But why was not the q^n of treating it as a Debt Bar raised? I thought it had been deliberately so inserted & did not think the q^n important. [illegible]

No J 3338 dated 16th Feb: 1916 to the Compiler, Mysore Gazette.

Notifies the amendment to Notification No J 2292-Legis 20-13-2 8/12/14 re the rules for the election of four non-official members to the Legl Council from the districts.

Submitted to His Highness.

24) In the Rules for the election of four Non-official Members of the Legislative Council by the Districts prescribed by Notification No.J.2292/Legis.20-13-2 dated 12th February 1914, the Kolar Gold Fields Sanitary Board has been given the right to vote as one body unlike the City Municipal Councils of Bangalore and Mysore and the District Boards in whose case every Non-official Member has an independent vote.

25) This difference in treatment was pointed out by the Deputy Commissioner, Kolar District just before the elections held in March 1914 but as it was too late then to take any action in the matter, the rules were not then amended. As the election has to be held again on the 10th March 1916 the question of suitably amending the rules so as to give to each member of the Kolar Gold Fields Sanitary Board an independent vote was considered in Council who are of opinion that the amendment proposed may be approved.

26) A Notification amending the rules was accordingly issued on the 16th February 1916. The file is submitted for information and gracious approval of the action taken.
